

RTCEx Private Macros

Private macros to check  
input parameters

```
graph LR; A[Private macros to check input parameters] --> B[RTCEx Private Macros]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'RTCEx Private Macros'. The box on the right is gray with a black border and contains the text 'Private macros to check input parameters'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the gray box's content is used by the white box's content.
