

RTC Private Macros

RTC Private macros
to check input parameters

```
graph RL; A[RTC Private macros to check input parameters] --> B[RTC Private Macros];
```

The diagram consists of two rectangular boxes. The box on the right is grey and contains the text 'RTC Private macros to check input parameters'. The box on the left is white and contains the text 'RTC Private Macros'. A black arrow points from the right box to the left box, indicating a relationship or flow from the right to the left.
