

TIM Exported Constants

```
graph LR; A[TIM Exported Constants] <-- B[DMA Handle index];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'TIM Exported Constants'. The box on the right is gray with a black border and contains the text 'DMA Handle index'. A horizontal line connects the right side of the white box to the left side of the gray box, with a black arrowhead pointing towards the white box.

DMA Handle index
